Inspiration Found

REVEL IN PETER PENNOYER'S LATEST BOOK CELEBRATING A CZECH CUBIST-INSPIRED HOME.

Go-to source for inspiration: Our office library. **Favorite room in a house:** The living room. **Design bucket list:** To design a garden pavilion on a Nordic island. **I can become consumed with...** curiosity. **I love when a client says:** "Show me your best idea." **I always come back to...** the fundamentals. **What's up next:** Reclaimed building materials. **If not a designer, I'd be...** a poet.
